Describe consultations with public and private agencies that provide assisted housing, health services, and social services to determine resources available to address needs of any persons that are chronically homeless. **(91.110)**

Describe consultations with statewide and regional institutions and other organizations (including businesses, developers, and community and faith-based organizations). **(91.115(a)(2))**

Describe consultations with social service, health, and child service agencies (in accordance with 91.110 regarding lead based paint hazards). **(91.300(b))**

Homeless Needs

Homeless Needs. Estimate of homeless needs includes chronically homeless persons. **(91.305(c))**

Market Analysis

Chronic Homelessness. Homeless inventory of facilities should include (to the extent is available to the jurisdiction) an estimate of percentage or number of beds and supportive services programs that are serving people that are chronically homeless. **(91.310(b))**

Strategic Plan

Priorities. Priorities for allocating investment among different activities and needs, as identified in tables prescribed by HUD. **(91.315(a)(1))**

Specific Objectives. For each specific objective statement, identify proposed accomplishments and outcomes the state hopes to achieve in quantitative terms. **(91.315(a)(4))**

Public housing. Describe the manner in which the jurisdiction will address the needs of public housing, and financial or other assistance the jurisdiction will provide to improve the operations of a public housing agency designated as “troubled” in order to remove such designation. (A state is not required to describe the manner in which financial or other assistance is provided if the troubled agency is entirely within the boundaries of a unit of general local government that must submit a consolidated plan to HUD. **(91.315(c))**

Homeless. Describe the jurisdiction's strategy for helping homeless persons (especially any persons that are chronically homeless) make the transition to permanent housing and independent living. **(91.315(d)(4))**

Special Needs. Summary of priority housing and supportive service needs of persons that are not homeless but who may or may not require supportive housing. **(91.315(e))**

Community Revitalization. Community revitalization strategy areas identify long-term and short-term objectives in terms of measure of outputs and outcomes. **(91.315(g))**

Coordination. With respect to the preparation of its homeless strategy, the State must describe efforts to increase coordination between housing providers, health, and service agencies in addressing the needs of persons that are chronically homeless. State should also describe efforts to enhance coordination with private industry, businesses, developers, and social service agencies. **(91.315(l))**
